

WELCOME TO TISSER LAW GROUP, THE WAY ESTATE PLANNING SHOULD BE.

An Award-Winning Law Firm

Doron Tisser received the prestigious Trusted Advisor Award from the San Fernando Valley Business Journal in 2011. This award is given to a select few professionals each year and represents the highest level of achievement and service to clients.

In addition to being chosen by his peers as a Super Lawyer in 2009, 2010, 2011 and 2012 for Southern California, Doron was one of the top 100 recipients of votes for 2011 and 2012. No more than 5% of the lawyers in California become a Super Lawyer.

Doron has also been awarded the highest possible rating by his peers, an "A.V." rating, for the Martindale-Hubbell Law Directory. This rating is based on ethical considerations.

Tisser Law Group takes the time to understand your personal circumstances.

We have the Experience, Skills, & Resources to resolve any situation.

WE'VE BEEN DOING THIS FOR OVER 30 YEARS.

Estate planning and trust administration can be overwhelming and intimidating for most people. But it doesn't have to be that way.

Tisser Law Group is one of Southern California's most respected and honored estate planning law firms. We get to know our clients and their families intimately before developing any estate planning strategies. As a result, our estate plans and trust administration services are tailored to your specific needs.

No generic templates. No cookie-cutter advice.

Instead, you receive customized, comprehensive services designed to reduce your risk (*financially and psychologically*) and protect your family.

We have a proprietary program for meeting with our clients on an annual basis to see what changes have occurred in their lives and how those changes impact their estate plans. For instance, they may want to protect their children from creditors and spouses, change the trustees of the trust, or change the guardians for their minor children.

Doron is the estate planning and tax attorney that I refer to all of my clients without hesitation. He is professional, knowledgeable and compassionate and immediately impressive with his advice on the sensitive issues in estate planning. Doron and his team set THE standard for excellence in estate and tax law and trust administration.
